

A fridge on wheels, how cool is that ? Now available, LBR!

On the move!

***Convert your restaurant kitchen into a more efficient,
productive workspace. More volume, more profit.***

Light, bright, reliable is Chill-O-Matic's pledge for our new dynamo **LBR**.

Unlike its daunting predecessor LBR's **on rollers** and can easily be moved for flexibility

As energy efficient as comparable coolers but weighs less, saving on utility bills.

Stores the same volume as its competitors, yet costs nearly 30% less

CLICK HERE **[Button]** to meet LBR and schedule a demo by June 15 to receive a 15% discount coupon (valid for 6 months)!

Let's chill!
